

PUMPKIN MUFFINS WITH CRUMB TOPPING

INGREDIENTS

for the filling

1/3 cup cream cheese
1 large egg yolk
1/3 cup confectioners' sugar

for the topping

1/2 cup all-purpose flour
1/4 cup packed light brown sugar
3/4 teaspoon cinnamon
1/4 teaspoon salt
4 tablespoons cold unsalted butter, cubed

for the muffins

1 1/2 cups all-purpose flour
1 teaspoon cinnamon
Pinch of freshly grated nutmeg
Pinch of ground cloves
3/4 teaspoon baking soda
1/2 teaspoon baking powder
1/2 teaspoon salt
2 large eggs
1/2 cup packed light brown sugar
1/2 cup vegetable oil
1 cup canned pumpkin puree

DIRECTIONS

First, prepare the filling. In a small bowl, mix cream cheese, egg yolk and confectioners' sugar. Cover and freeze until chilled, about 30 minutes.

Next, make the topping. In a small bowl, combine the flour, brown sugar, cinnamon and salt. Work in the butter with your fingers. Press the mixture into small clumps. Refrigerate the topping until chilled, about 15 minutes.

Finally, make the muffins. Preheat the oven to 350F and line a 12-cup muffin tin with liners. In a medium bowl, whisk the flour with the cinnamon, nutmeg, cloves, baking soda, baking powder and salt. In a large bowl, using an electric mixer, beat the eggs with the brown sugar, oil and pumpkin puree. Beat in the dry ingredients until evenly incorporated.

Spoon half of the batter into the prepared muffin cups. Drop heaping teaspoons of the cream cheese filling in the center of each cup and spoon the remaining batter on top. Sprinkle the crumb topping over the batter. Bake for about 30 minutes, until a toothpick inserted in the center of the muffins comes out clean. Let the muffins cool for 10 minutes before turning them out onto a rack to cool completely.
