

CUCUMBER "SPAGHETTI" SALAD

INGREDIENTS

1 "European" or "English" Cucumber, peeled and cut in half horizontally
1 tablespoon finely chopped fresh dill
2 tablespoons white wine vinegar
3 tablespoons vegetable oil
2 tablespoons heavy cream
salt and pepper to taste

DIRECTIONS

Using a mandoline slicer on the thinnest setting (mine has blades for both "wide" and "thin" ribbon... I used thin; if you use wide, it looks more like fettuccini), slice the cucumber. It should look like 6 inch long spaghetti. Place in a mixing bowl. Add in dill, salt and pepper, then vinegar, oil and cream. Toss to combine, taste and reseason if necessary. Serve immediately.
